

NOBAMED Paul Danz AG

RIBOSORB®

REF 001137

Product Description and Purpose

The disposable pulp diapers (37 cm x 11 cm) are used to absorb secretion or urine e.g. in cases of incontinence. They are suitable for adults and children alike. They may also serve as an inlay for absorbing exudate and transudate such as bleeding or discharge in the gynecological field.

Composition

Cellulose, polypropylene non-woven

Incident reporting

According to MDR (EU) 2017/745, if serious incidents occur in relation to the device, they must be reported to the manufacturer and the competent authority of the Member State in which the user and/or patient is established.

Normative and Legal Requirements

RIBOSORB® is a medical product according to directive MDD 93/42/EEC and the regulation MDR (EU) 2017/745.

The product does not contain dangerous toxic substances according to REACH.
