NOBASKIN[®]

DUSCH & WASCHLOTION

REF 156300

Product Description and Purpose

This sensitive shower & wash lotion contains 5 % urea, its pH value is 5.5 approximately. NOBASKIN[®] shower & wash lotion is used for the particularly mild cleansing and care of sensitive skin without drying. It helps to maintain the skin's natural acid mantle. 5 % urea, moisturizing skin care lipids and a nourishing care complex have a positive effect on itchy, dry and sensitive skin. NOBASKIN[®] shower & wash lotion is suited for daily cleansing of body and face. Skin compatibility dermatologically tested. Free from dye and parabens.
