

## NOBASURGMENT® NADELHALTER

REF 25-130

### Product Description, Intended use, Application

Sterile single use needle holder Mayo Hegar, straight, for use in health care to hold a suturing needle for closing wounds during the suturing and surgical procedures. The violet safety marking ensures clear visual differentiation from reusable instruments.

### Composition

Stainless Steel

### Incident reporting

According to MDR (EU) 2017/745, if serious incidents occur in relation to the device, they must be reported to the manufacturer and the competent authority of the Member State in which the user and/or patient is established.

### Normative and Regulative Requirements, Common Standards

Medical Device according to MDD 93/42/EEC, MDR (EU) 2017/745.

The product does not contain dangerous toxic substances according to REACH.

### Packaging

Primary packaging:	paper-film packaging
Secondary packaging:	carton made of cellulose

### Symbols used in labelling

Explanations at [www.nobamed.com](http://www.nobamed.com)

40-70% RH

Marking on all packaging levels with CE and according to DIN EN ISO 15223-1- and DIN EN ISO 20417.

### Storage and Transport

Dry and dustfree, protect from sunlight.

### Sterile device

Before using a sterile product, visually inspect the packaging to ensure that it is intact.

### Single use device

Reusing a single use medical device can lead to microbiological danger. Reprocessing for reuse can decrease the product's performance significantly.

### Disposal

According to locally applicable legal regulations and standards of infection prophylaxis.
