

NOBATON[®]

Product Description and Purpose

Finely woven, tightly knitted tubular bandage, which is made of unbleached cotton. A high crosswise elasticity ensures a good adaptability. The unbleached cotton shows water-repellent features and convinces by its excellent skin tolerance. NOBATON[®] serves as underlay under rigid or half-rigid cast bandages. Its tight structure protects the skin against the material soaked with polyurethane resin. It also allows the application of a tightly fitting bandage.

Composition

Cotton
