

NOBAFROTT®-Fertigverband

REF 350850

Product Description, Intended use, Application

The disposable product NOBAFROTT®-Fertigverband, is an unbleached, elastic ready-to-use tubular bandage made of terry cloth for the **upper arm**. Synthetic threads are incorporated in the back area to achieve optimum elasticity. Due to the natural fibers, it is suitable for patients who are prone to allergies. NOBAFROTT®-Fertigverband is used as an underlay for skin protection and as padding for plaster and plastic bandages. It is easy to apply, soft, supple, permeable to water vapor and air, with thumb inlay and thus offers a high degree of wearing comfort.

Composition

Cotton, elastane, polyamide
