

NOBAMED Paul Danz AG

NOBAHEBAN®

REF 454405

Product Description and Purpose

The white cohesive compression bandage (size 5 cm x 4.5 m) has a stretchability of approx. 100 %. It is used for bandages for short-term compression. It is applied over a gauze ball or swab. It is also used as a supporting and relieving bandage

Note:

During application, cohesive bandages should not be stretched too much, as otherwise the arterial blood supply might be disturbed.

Contraindications

Known allergy against a component listed below.

Composition

Polyamide, Polyester, Latex, Elastomere
