

NOBAPAD®

REF 600810

Product Description and Purpose

Especially soft and stretchable padding bandage, **size 10 cm x 3 m**, which is made of binder-free synthetic wadding. NOBAPAD® can be used as preparatory padding for treatments with plaster, polyester or fibreglass support bandages. It is likewise suited for the padding of Cramer splints, Volkmann splints or other unpadded splints, or else as padding underneath compression bandages and as padding material for tubular bandages. The rolled bandage is for single use and is **individually packed in a paper banderole**.

Contra-Indications
