

NOBAMED Paul Danz AG

NOBAVEK®

REF 661110 (as of LOT 131467)

Product Description and Purpose

Disposable overall (size L) with elastic cuffs, hood and zipper in the front, but without shoes. Because of its soft material the overall is comfortable to wear. NOBAVEK® is liquid-tight, abrasion-proof and low-particle.

Typ 5 - Protective clothing for use against solid particulates EN ISO 13982-1:2004+ A1:2010

Typ 6 - Protective clothing against liquid chemicals / limited protective performance against liquid chemicals / Partial body protection EN13034:2005 + A1:2009

The protective clothing is intended for cases where the user is potentially exposed to slight spray mist, liquid aerosols or low-pressure liquids, as well as for protection against particulate radioactive contamination, slight splashes which do not require a full permeation barrier against liquids, and airborne solid particles.

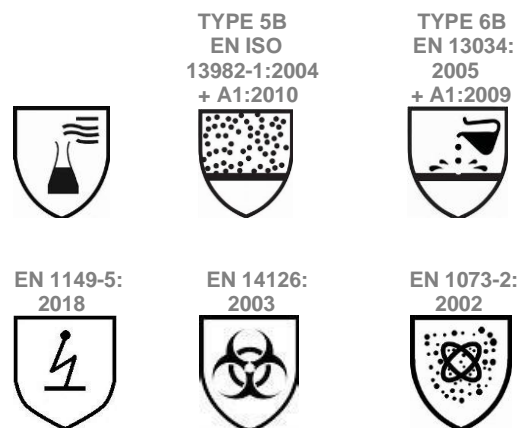

Composition

Polypropylene

The product does not contain dangerous toxic substances according to REACH. It has CE marking and DIN EN ISO 15223-1 labels on all its packaging.
