

NOBAMED Paul Danz AG

NOBARAPID®

REF 773110

Product Description and Purpose

Wound swab, size **10 cm x 10 cm**, individual sterile packaging. 50 sterile pouches are packed in a folding box. NOBARAPID® wound swabs consist of an absorbent core made of cotton-polyester which has been laminated with a perforated polyethylene film on both sides. The films prevent the swabs from adhering to the wound. NOBARAPID® wound swab is suitable for low to moderately exuding wounds, post-operative wounds and painful wounds like skin abrasions and cuts, for example.

They are for single use only.

Contra-Indications

No contra-indications known.

The product should not be used if there is a known hypersensitivity to one of its ingredients.
