#### Symbols used in labelling

Explanations at [www.nobamed.com](http://www.nobamed.com)

40-70% RH

Marking on all packaging levels with CE and according to DIN EN ISO 15223-1- and ISO 20417.

#### Storage and Transport

Dry and dustfree, protect from sunlight.

#### Sterile device

Before using a sterile product, visually inspect the packaging to ensure that it is intact.

#### Single use device

Reusing a single use medical device can lead to microbiological danger. Reprocessing for reuse can decrease the product's performance significantly.

#### Disposal

According to locally applicable legal regulations and standards of infection prophylaxis.
