

NOBAMED is again one of the best employers for women in 2020!

The BRIGITTE-ARBEITGEBERSTUDIE „Die besten Arbeitgeber für Frauen“ (The best employers for women) has chosen NOBAMED Paul Danz AG also in 2020 in the circle of excellent companies! With the result of 4 out of 5 possible stars NOBAMED is one of the 182 best employers for women Germany-wide.

The study evaluated the companies' commitment in four areas that are important for equal opportunities for women: work-life balance, work flexibility, career development measures, and the importance of transparency and equality in the company. The proportion of women in management positions and the companies' self-imposed quotas for women were also included in the score.

An overview of all 182 companies with top ratings of four or five stars as well as further results and information on the study can be found in the (21/2020) issue of BRIGITTE and at www.brigitte.de/bestearbeitgeber.
