

## **BRIGITTE STUDY 2021:**

### **The best employers for women! Third award in a row for NOBAMED.**

The BRIGITTE-employer-study "The best employers for women" has chosen NOBAMED Paul Danz AG also in 2021 in the circle of excellent companies! With a result of 4 out of 5 possible stars, NOBAMED is one of the best employers for women in Germany for the third time in a row.

The study evaluated the companies' commitment in four areas that are important for equality: Compatibility measures, work flexibility, career development measures and the importance of transparency and equality in the company. Women's power' was also assessed (women in leadership positions, as well as self-imposed quotas).

An overview of all 179 companies with top ratings of four or five stars as well as further results and information on the study can be found in the edition 21/2021 of BRIGITTE and <https://www.brigitte.de/academy/karriere/arbeitgeber-studie-2021--die-besten-unternehmen-fuer-frauen-13065338.html>
